Adam Martin is dedicated to helping his clients solve problems. With over a decade of experience, Martin's trial practice focuses on general liability, legal and medical malpractice, trucking and transportation, and products liability cases. He has also successfully defended governmental entities and private clients against civil rights claims brought under 42 U.S.C. Section 1983. Martin works to create the most positive outcomes possible for his clients. He has represented Fortune 500 companies, local law enforcement, doctors and nurses, restaurants and rental property companies, and product manufacturers from around the world.
