

Matthew T. Brady
Of Counsel
Direct: 216.928.3576
Email: mbrady@sutter-law.com

Matt Brady has a diverse background as a litigator and corporate in-house lawyer for a global Fortune 500 company. He has deep experience in toxic tort, employment, commercial and product liability law. He has worked closely with businesses and governmental entities on compliance and risk management issues including the managing of insurance and reserving for financial reporting purposes.

Previously, Matt worked for city and county governments providing timely and practical legal advice and defending tort and negligence claims filed against police and other governmental officials. Matt believes it is important to thoroughly understand his client's business and litigation needs in order to deliver top-flight legal services in a cost-efficient manner.
